NOTICE OF ALLOWANCE

The following is an examiner's statement of reasons for allowance: The prior art of record fails to teach in detail the claimed subject matter comprising a method for providing wiretap services in a telecommunication network where communications involving a wire tap party are to be monitored, the method comprising the steps of:

receiving at an intelligent node in the network a call request in which a party to the call request is the wiretap party;

establishing first, second, third and forth terminations at a media gateway on a per call basis, the first and forth terminations comprising one type of protocol termination and the second and third terminations supporting another communication protocol, coupling the first and second terminations together to provide two-way communications there between, coupling the terminations of the first and fourth terminations to communication channels to a calling and called (termination) party respectively;

establishing on a per call basis fifth, sixth, seventh and eight terminations utilizing the another communication protocol; coupling together the fifth and seven terminations and the sixth and eight terminations where the fifth and sixth termination support one way communications transmitted to the seventh and eighth terminations, respectively from the first and forth terminations respectively;

transmitting communications received by the seventh and eight terminations to a line being monitored for the wiretap whereby two-way communication between the calling and called (termination) parties is provided and one-way communications from

Art Unit: 2643

the calling and called (termination) party are provided to the line being monitored for the wiretap as claimed and substantially connected in claims 1-6.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
